Part I Basic Theory of Military Law

1 Basic Terms of Science of Military Law	3
Section 1 Disciplinary Attribute of Science of Military Law	3
I. Attribution of Science of Military Law	3
II. Military Law Belongs to Public Law System	8
III. Categories of the Military Law Studies	9
IV. Relationship Between Military Law and Other Close-Related Disciplines	12
Section 2 Evolution of Military Law	20
I. Emergence of the Science of Military Law	20
II. Development of the Science of Military Law	24
III. Patterns and Features of the Emergence and Development of the Science of Military Law	34
Section 3 Significance of the Science of Military Law	38
I. Theoretical Significance of the Science of Military Law	38
II. Practical Significance of the Science of Military Law	39
III. To Strengthen the Studies on the Science of Military Law is the Objective Law and Successful Experience of the Legal System Theoretical Construction from Home and Abroad	41
Reference	41
2 Basic Theory of Military Law	43
Section 1 Concept of Military Law	43
I. Military	43
II. Military Power	45
III. The Origin of the Term “Military Law”	48
IV. Concept of Military Law	51
V. Object of Adjustment of Military Law	53
VI. Features of Military Law	55

VII.	Values of Military Law	58
VIII.	Status Quo of Military Law in China	60
Section 2	Phenomenon of Military Law	62
I.	Military Legal Norm	62
II.	Military Legal System	66
III.	Military Legal Relations	67
IV.	Military Legal Awareness	71
Section 3	Culture of Military Law	72
I.	Concept of Culture of Military Law	72
II.	Features of China's Traditional Culture of Military Law	73
III.	Status Quo of China's Culture of Military Law	75
IV.	The Strategic Goal and Means of Realization of the Modernization of the Culture of Military Law in China	77
Section 4	Military Legal System	84
I.	Military Legislation	84
II.	Source of Military Law	92
III.	System of Military Law	94
IV.	Military Legal System	99
References	105

Part II Core Military Law

3	Legal Framework of Military Power	109
I.	Military Legislative Power	109
II.	Power of Appointment and Removal in Military	112
1.	The Power of Appointment and Removal of the Organs of State Power	112
2.	The Power of Appointment and Removal of the State Administrative Organs	113
3.	The Power of Appointment and Removal of the State Military Organs	113
III.	Military Decision-Making Power	114
1.	Decision-Making Power of the Organs of State Power	115
2.	Decision-Making Power of the State Administrative Organs	115
3.	Decision-Making Power of the State Military Organs	116
IV.	Military Supervision Power	116
1.	Supervision Power of the Organs of State Power	116
2.	The Supervision Power of the State Administrative Organ	117
3.	The Supervision Power of the State Military Organs	117
V.	Military Administrative Power	118
1.	The Administrative Power of the State Administrative Organizations	118
2.	Administrative Power of the State Military Organs	118

VI.	Nature of the Military Power of the CMC	120
1.	The CMC Is Subordinate to the Organ of Supreme Power in National Defense Leading Activities	120
2.	The Commanding Power of the CMC Chairman Is of the Function and Power of the Supreme Organ of State Power	121
3.	CMC Is Subordinate to the Supreme Organ of State Power as Well as to the Central Committee of Communist Party of China (CPC).	122
4	Armed Forces	123
I.	Concept and Substantive Characteristics of Armed Forces	123
II.	Position and Task of the Armed Forces in China	124
III.	Objectives of Armed Forces Building	126
5	Military Administrative Law	127
	Section 1 Outline of Military Administrative Law	127
I.	Military Administration and Military Administrative Law	127
II.	Legal Relations of Military Administration	129
III.	Basic Principles of Military Administrative Law	130
IV.	Structural System of Military Administrative Law	131
	Section 2 Main Content of Military Administrative Law	133
I.	“Common Regulations” of the Armed Forces	133
II.	Military Personnel Legal System	142
III.	Legal System on Military Training, Equipment Management, and Logistics	155
IV.	Legal System of Servicemen’s Preferential Treatment	160
	Section 3 Military Administrative Violation and Military Administrative Litigation	164
I.	Military Administrative Violation	164
II.	Military Administration Justice	182
III.	Military Administrative Litigation	193
	References	207
6	Military Criminal Law	209
	Section 1 Introduction to Military Criminal Law	209
I.	The Concept of Military Criminal Law	209
II.	The Emergence and Development of Military Criminal Law	218
III.	Military Criminal Legal Liability	220
	Section 2 The Concept of Military Crime	221
1.	Military Crimes and Crimes Committed by Servicemen	223
2.	The Military Crime and Military Duty Crimes	224
3.	Military Crimes and Crimes Relating to Military	225
4.	The Military Crime and Violation of Military Discipline	226
5.	Military Crimes and Military Criminal Law in Wartime	229

Section 3 Crimes of Violating Duty Committed by Servicemen	229
I. The Concept and Characteristics of Crimes of Violating Duty by Servicemen	230
II. The Criminal Responsibility of a Serviceman in Violation of the Duty Crime	233
III. The Types of Crimes Committed by Servicemen in Violation of Their Duties	235
References	251
7 Military Justice	253

I. The Concept of Military Justice	253
II. The Historical Development of Military Justice	253
III. The Principles of Military Justice	256
IV. The Task of Military Justice	262
Section 2 The Main Content of Military Justice	264
I. Military Security Work	264
II. Military Procuratorial Work	267
III. Military Justice	276
IV. The Principle and System of Military Justice	279
V. The Main Contents of the Military Trial	281
Section 3 Military Criminal Procedure	283
I. The Concept and Characteristics of Military Criminal Procedure	284
II. The Origin of Military Criminal Procedure	286
III. Establishment of the System of Military Criminal Procedure Law	290
Section 4 Legal System of Military Lawyers	293
I. The Historical Evolution of the Military Lawyer System in China	294
II. China's Military Lawyer System	304
III. Foreign Military Lawyer System	320
References	331
 Part III The Law of National Defense	
8 National Defense and the Law of National Defense	335
Section 1 Basic Connotation of National Defense	335
I. The Origin of National Defense Concepts	335
II. The Fundamental Features of Modern National Defense	337
III. The Definition of National Defense	339
Section 2 Characteristics and Functions of National Defense Law	346
I. The Main Characteristics of National Defense Law	346
II. Roles of National Defense Law	349

Section 3 The Sources of National Defense Law	354
I. The Concepts Concerning Sources of National Defense Law	354
II. The Composition of Sources of China's National Defense Law	354
9 National Defense Acts and Basic Principles of National Defense Law	361
Section 1 Legal Relations of National Defense	361
I. Concepts and Characteristics of National Defense Legal Relations	361
II. The Composing Elements of National Defense Legal Relation	362
Section 2 The Acts of National Defense	368
I. The Connotation and Characteristics of National Defense Acts	368
II. Classification of National Defense Acts	369
III. Influencing Factors of National Defense Acts	372
Section 3 The Basic Principles of National Defense Activities	377
I. The Overview of the Basic Principles of National Defense Activities	377
II. The Basic Principles of China's National Defense Activities	381
10 Military Service Law	387
I. The Concept of Military Service Law	387
1. Adjusted Objects of Military Service Law	388
2. Military Service Law System	389
3. Status and Functions of Military Service Law	389
II. China's Current Military Service System	390
1. Characteristics of China's Military Service System	390
2. Military Service Working Organs	392

	Section 1 Laws of Land Warfare	479
	I. Rules of Military Operations in Land Warfare	479
	II. Rules on the Occupation and Management of the Enemy State's Territory	487
	Section 2 Laws of Naval Warfare	493
	I. Development and Trend of Law of Naval Warfare	493
	II. Main Content of Law of Naval Warfare	497
	Section 3 Laws of Air Warfare	505
	I. Historical Development and Future Trends of Laws of Air Warfare	505
	II. Rules of Air Warfare	511
	Section 4 Rules on Neutrality	516
	I. Concept and Types of Neutrality	516
	II. The Regime of Neutrality in Time of War	520
	References	527
15	The Crimes of War	529
	Section 1 Introduction to the Crimes of War	529
	I. Concept of the Crimes of War	529
	II. The Types of the Crimes of War	530
	Section 2 Legal Liability of the Crimes of War	531
	I. Two Forms of Punishments for the Crimes of War	531
	II. International Practices of Punishing the Crimes of War	534
	References	542
Part V International Military Law		
16	Concept and Characteristics of International Military Law	545
	I. Concept of International Military Law	545
	1. Objects Regulated by International Military Law	545
	2. Law of War and International Military Law	546

II.	Basic Characteristics of International Military Law	547
	Reference	548
17	Main Content of International Military Law	549
I.	Collective Security Guarantee Regime	
	Under the UN Charter	549
	1. Security Guarantee Regime Established by the League	
	of Nations	549
	2. Collective Security Regime Under the UN Charter	550
	3. Some Major Legal Issues in the Contemporary Collective	
	Security Regime	551
II.	Disarmament Regime	555
	1. The Necessity of Disarmament	555
	2. Disarmament Is an Important Content of International	
	Military Laws	556
	3. Major Legal Measures on Disarmament Adopted	
	by the United Nations	557
	4. Content of United Nations Disarmament and International	
	Disarmament Bodies and Institutions	558
	5. Content of Disarmament Treaties	560
III.	UN Peace Keeping Operations System	562
	1. Basic Legal Meaning	562
18	China's Practice of International Military Law	565
I.	China's Legal Perspectives on International Collective Security	
	Guarantee	565
II.	China's Legal Practice on Disarmament	566
	1. China's Principles and Measures on Disarmament	566
	2. China's Practical Actions of Disarmament	567
III.	China's Participation in the United Nations International	
	Peacekeeping Operations	568
