Section I

BACKGROUND, THEORY, AND METHOD IN DECEPTION ANALYSIS

| | |
|--|-----------|
| 1 Foundational Issues in Deception | 3 |
| Introduction | 3 |
| Proto-Theory and Early Work on Deception | 5 |
| Deceptive Behavior in America | 6 |
| Deception in Research | 8 |
| Deception in Violence | 9 |
| Deception and the Police | 10 |
| Deception and Mental Health Practitioners | 11 |
| Health-Related Deception: HIV Status | 12 |
| Deception and Moral Philosophy | 13 |
| Research in Deception Detection | 18 |
| Diagnosis and Deception-Related Conditions and Concerns | 23 |
| Summary | 23 |
| Legal References | 24 |
| References | 24 |
| 2 Deception and Slanted Narratives in Key Sectors of American Society | 29 |
| Introduction | 29 |
| Collective Violence and Justification through Narratives and Other Deception | 32 |
| Nuclear Weapon Issues and Deception | 35 |
| Weaponized Drones | 36 |
| Military Personnel and Deception | 39 |
| Deception and False Narratives in Economics | 40 |

| | |
|--|-----------|
| Politically Based Narratives and Deception | 42 |
| Legal Cases and Narrative Control | 43 |
| Media and Deception | 44 |
| Summary | 46 |
| Legal References | 46 |
| References | 47 |
| 3 Deception and Involuntary Distortion | 53 |
| Introduction | 53 |
| The Evaluator's Database | 53 |
| Nondeliberate Distortion | 56 |
| Distortion Assessment Guidelines | 57 |
| Synthesis | 61 |
| References | 61 |
| 4 The Applied FDA-5 Model | 65 |
| Introduction | 65 |
| Target Symptoms | 65 |
| Response Styles of Deceptive Behavior | 66 |
| Honest Responding | 67 |
| Faking Bad | 68 |
| Faking Good | 68 |
| Invalidation | 70 |
| Mixed Response Styles | 71 |
| Fluctuating Response Styles | 71 |
| Detection Strategies | 71 |
| Synthesis | 72 |
| References | 72 |
| 5 Evaluation Process Guidelines | 73 |
| Introduction | 73 |
| Before the Evaluation | 75 |
| During the Evaluation | 76 |
| After the Evaluation | 78 |
| References | 82 |
| 6 Deception and Nonverbal Behavior | 83 |
| Introduction | 83 |
| Traditional Nonverbal Leakage Analysis | 84 |
| Contemporary Views of Nonverbal Deception Analysis | 92 |
| Synthesis | 94 |
| Legal Reference | 94 |
| References | 94 |

Section II**THE DEVELOPMENTAL CONTEXT OF DECEPTION**

| | | |
|----------|--|------------|
| 7 | Deception in Nonhumans | 101 |
| | Introduction | 101 |
| | References | 111 |
| 8 | Human Development, Children, and Deceptive Behavior | 115 |
| | Introduction | 115 |
| | Empirical Studies of Development and Deception by Children | 119 |
| | Target Behaviors, Age, and Deceptive Behavior | 120 |
| | Ages 0 to 3 | 120 |
| | Ages 3 to 4 | 121 |
| | Ages 4 to 5 | 124 |
| | Ages 5 to 6 | 126 |
| | Ages 6 to 7 | 127 |
| | Ages 7 to 8 | 127 |
| | Ages 8 to 9 | 128 |
| | Ages 9 to 10 | 128 |
| | Ages 10 to 11 | 128 |
| | Ages 11 to 12 | 129 |
| | Other Developmental Determinants of Deception | 129 |
| | Synthesis | 130 |
| | Children and the Judicial System | 130 |
| | United States Supreme Court and Juvenile Justice Jurisprudence | 132 |
| | Deception and Child Witness Competency | 132 |
| | Assessment Issues—Child Witness Credibility | 136 |
| | Detection Issues—False Child Abuse Allegations | 137 |
| | Summary | 141 |
| | Legal References | 141 |
| | References | 142 |
| 9 | Deception and Adolescents | 151 |
| | Introduction | 151 |
| | Target Behaviors—Adolescent Deception Dynamics | 152 |
| | Response Styles | 153 |
| | Ages 13 to 14 | 154 |
| | Ages 15 to 17 | 154 |
| | Adolescent Offenders and Deception | 155 |
| | Adolescents and Disputed Domestic Matters | 158 |
| | Detection Strategies | 158 |
| | References | 161 |

| | | |
|---|---|------------|
| 10 | Deception and the Elderly | 165 |
| | Introduction | 165 |
| | Target Behaviors | 168 |
| | Response Patterns | 169 |
| | Detection Strategies | 169 |
| | Psychometric Assessment of Elderly Persons | 171 |
| | Synthesis | 172 |
| | References | 173 |
| | | |
| <i>Section III</i> | | |
| DECEPTION ANALYSIS IN CIVIL CONTEXTS | | |
| 11 | Civil Law and Deception | 177 |
| | Introduction | 177 |
| | Targets | 188 |
| | Legal References | 196 |
| | References | 197 |
| 12 | Malingered Neuropsychological Deficits | 201 |
| | Introduction | 201 |
| | Lack of Neurological Fit | 208 |
| | Retesting or Comparison Strategies | 209 |
| | Failure to Show Learning | 210 |
| | Departures from Expected Accuracy | 210 |
| | Symptom Validity Testing | 211 |
| | Objective Psychological Testing | 212 |
| | Validity Indicator Profile | 213 |
| | Smell Identification Test | 213 |
| | Summary and Signs of Faking | 215 |
| | Legal References | 216 |
| | References | 216 |
| 13 | Faked Pain and Loss of Sensation | 221 |
| | Epidemiology, Costs, and Base Rates | 221 |
| | Neurological, Biological, and Emotional Factors | 226 |
| | Psychological/Affective Factors | 227 |
| | Legal References | 233 |
| | References | 233 |
| 14 | Post-Traumatic Stress Disorder and Deception | 237 |
| | History and Background | 237 |
| | PTSD Predictors | 250 |
| | Detection of Falsified PTSD | 252 |

| | |
|--------------------------------|-----|
| Treatment Approaches with PTSD | 255 |
| PTSD and Cortical Functioning | 255 |
| Summary | 259 |
| Legal Reference | 259 |
| References | 259 |

Section IV

DECEPTION ANALYSIS IN CRIMINAL CONTEXTS

| | | |
|-----------|--|------------|
| 15 | Interviewing and Interrogation | 275 |
| | Introduction | 275 |
| | Early Forensic Interviewing Efforts | 277 |
| | Corroboration as a Clinical/Forensic Tool | 278 |
| | Interrogation/Investigation Interview Dynamics | 278 |
| | Criminal Investigation Approaches | 280 |
| | Clinical Forensic Interviewing Guidelines | 282 |
| | Preparation | 282 |
| | Organizing | 283 |
| | Interviewing | 283 |
| | Closure | 283 |
| | Written Clinical Forensic Report | 284 |
| | Follow-up | 284 |
| | References | 286 |
| 16 | Adjudicative Competency and Deception | 289 |
| | Introduction | 289 |
| | Judicial Applications of Competency | 290 |
| | Competency and Judicial Outcomes | 293 |
| | Targets of Deception | 295 |
| | Response Styles | 296 |
| | Honesty | 296 |
| | Faking Good | 296 |
| | Invalidation | 297 |
| | Mixed Styles | 297 |
| | Fluctuating Styles | 298 |
| | Cultural Issues | 298 |
| | Detection Methods | 300 |
| | Conclusory Comments | 301 |
| | Legal References | 302 |
| | References | 302 |

| | | |
|-----------|---|------------|
| 17 | Criminal Responsibility and Deception | 307 |
| | Introduction | 307 |
| | Recommended Process Approach to Criminal Responsibility | 311 |
| | Step 1: Adequate Forensic Database | 312 |
| | Step 2: Analysis of Distortion and Deception | 313 |
| | Step 3: Defendant Reconstruction of the Instant Offense | 314 |
| | Step 4: Analysis of Historical versus Crime Behavior | 314 |
| | Step 5: Mental Diagnosis | 314 |
| | Step 6: Analysis of Self-Regulation, Self-Control, and Choice | 315 |
| | Step 7: Proffering Conclusions | 316 |
| | Legal References | 317 |
| | References | 317 |
| 18 | Faked Amnesia and Loss of Memory | 319 |
| | Introduction | 319 |
| | Everyday Assumptions | 319 |
| | Neuropsychology of Mnestic Problems | 321 |
| | Forensic Issues—Civil | 322 |
| | Forensic Issues—Criminal | 323 |
| | Targets | 325 |
| | Response Styles | 325 |
| | Detection Strategies | 326 |
| | Recommended Measures of Faked Recall | 326 |
| | Illusory Difficult Tasks and Tests | 327 |
| | Symptom Validity Testing | 328 |
| | Wechsler Scales | 331 |
| | Validity Indicator Profile | 332 |
| | Objective Psychological Testing | 332 |
| | Summary | 332 |
| | References | 334 |
| 19 | Deception and Psychosis | 339 |
| | Introduction | 339 |
| | Behavior Targets | 344 |
| | Response Styles | 345 |
| | Detection Strategies | 346 |
| | Psychometric Approaches to Faked Psychosis | 346 |
| | Psychometric Instruments for the Detection of Feigned Psychosis | 348 |
| | Traditional Instruments for Assessing Malingered Psychosis | 349 |
| | Screening Instruments for Detecting Malingered Psychosis | 350 |
| | Psychosis Malingering—Symptom Validity Testing | 351 |
| | Psychosis Malingering and Neuroimaging Studies | 352 |
| | Synthesis | 354 |
| | References | 355 |

| | | |
|-----------|--|------------|
| 20 | Hallucinations and Deception | 363 |
| | Introduction | 363 |
| | Behavior Targets | 366 |
| | Response Styles | 367 |
| | Detection Methods | 367 |
| | Complex Behavior and Hallucinations | 369 |
| | Potential Indicators of Faked Hallucinations | 371 |
| | Psychological and Neuropsychological Instruments | 371 |
| | Neuroimaging and Hallucinations | 372 |
| | References | 374 |
| 21 | Deception and the Systemic Problem of Substance Abuse | 379 |
| | Introduction | 379 |
| | Base Rate and Prevalence Data | 379 |
| | The Target Problem | 383 |
| | Deception Response Patterns | 385 |
| | FDA-5 Detection Strategies | 386 |
| | The Legal Perspective | 390 |
| | Detection Methods | 391 |
| | Substance Abuse Screening Tools | 393 |
| | Structured Interview Formats | 393 |
| | Standardized Psychological Test Applications | 397 |
| | Substance Abuse Prevention and Treatment | 400 |
| | Substance Abuse, Deception, and the Promise of Neuroimaging | 401 |
| | References | 403 |
| 22 | Violence Risk Analysis and Deception | 413 |
| | Introduction | 413 |
| | Generations of Research | 414 |
| | U.S. Supreme Court Cases and the Big Split | 422 |
| | Duty to Warn | 424 |
| | Targets of Deception | 425 |
| | Response Styles | 427 |
| | Reformulation of Violence Risk Analysis | 428 |
| | Legal References | 429 |
| | References | 429 |
| 23 | Trends and Future Directions | 433 |
| | Introduction | 433 |
| | Fingerprinting | 433 |
| | DNA Analysis | 434 |
| | Facial and Person Recognition | 435 |
| | Neuroimaging and fMRI Lie Detection in Particular | 436 |
| | Lipreading AI | 438 |

| | |
|---|------------|
| Telehealth Assessment and Virtual Reality | 438 |
| Advances in Other Disciplines | 439 |
| Police Screening and Group Testing | 440 |
| Drones and Ground Robots | 441 |
| Weaponized Ground Robots | 442 |
| Summary and Recommendations | 444 |
| Legal References | 445 |
| References | 446 |
| Appendix A: Pain Survey Checklist (PSCL) | 449 |
| Appendix B: Self-Control and Instant Offense Behaviors | 459 |
| Appendix C: Insanity Report Format | 483 |
