Introduction	1
1. The EU Legal and Policy Framework	5
1. Introduction	5
2. The EU as an International Actor in the Environmental Field	5
3. EU External Competence on Environmental Matters	9
3.1 Emergence and evolution	9
3.2 Substantive scope of EU external environmental competence	13
3.3 Shared nature of EU external environmental competence	17
3.4 Instruments and decision-making procedures	20
3.5 The multilateral dimension of EU environmental action	21
4. The Environmental Integration Requirement	25
4.1 Emergence and evolution	25
4.2 Analysis of Article 11 TFEU	28
4.2.1 Textual analysis	28
4.2.2 Implications	32
4.2.3 Contextual analysis	34
5. Environmental Integration in EU External Relations	43
5.1 Overview of environmental priorities and external policy tools	43
5.2 Environmental integration and EU external trade policy	46
5.3 Environmental integration and EU cooperation policies	52
6. Conclusions	54
2. Environmental Integration in Bilateral/Inter-regional Agreements	56
1. Introduction	56
2. Types of Agreements	57
2.1 Association agreements	57
2.2 Other general agreements	61
3. Environmental Integration in Association as Prelude to EU Membership	64
3.1 Enlargement and its environmental dimension	64
3.2 Stabilisation and association process	67

3.3	General approach to the environment	68
3.4	Environmental cooperation clauses	68
3.5	Environmental integration clauses	69
3.6	Trade and environment	72
3.7	Institutional aspects	73
4.	Environmental Integration in Association as Substitute to EU Membership	75
4.1	EU relations with its MENA neighbours	75
4.2	General approach to the environment	77
4.3	Environmental cooperation clauses	78
4.4	Environmental integration clauses	79
4.5	Trade and environment	80
4.6	Institutional aspects	81
5.	Environmental Integration in Association as a Development Tool	82
5.1	EU relations with the ACP group	82
5.2	Environmental dimension of the Cotonou Agreement	84
5.2.1	General approach to the environment	85
5.2.2	Environmental cooperation clauses	87
5.2.3	Environmental integration clauses	89
5.2.4	Trade and environment	92
5.2.5	Institutional aspects	94
5.3	Environmental dimension of the CARIFORUM EPA	95
5.3.1	General approach to the environment	97
5.3.2	Trade and environment chapter	98
5.3.3	Environmental integration clauses	104
5.3.4	Institutional aspects	106
6.	Association as an Instrument of Inter-regional Cooperation	109
6.1	EU relations with Chile and South Africa	109
6.2	General approach to the environment	110
6.3	Environmental cooperation clauses	111
6.4	Environmental integration clauses	112
6.5	Trade and environment	114
6.6	Institutional aspects	115
7.	Other Agreements	117
7.1	2010 Agreements with South Korea	117
7.1.1	Environmental cooperation clauses	118
7.1.2	Environmental integration clauses	120
7.1.3	Trade and environment	121
7.1.4	Institutional aspects	127
7.2	Partnership and cooperation agreements with CIS countries	130
7.2.1	Environmental cooperation clauses	131

7.2.2 Environmental integration clauses	132
8. Assessment and Conclusions	133
8.1 Differentiated emphasis on the environment	134
8.2 Different cooperation priorities and scope of integration	136
8.3 A differentiated approach to trade and environment nexus	138
8.4 Institutional differentiation	139
8.5 Questions arising in relation to implementation	142
3. Environmental Integration in the Generalised System of Preferences	144
1. Introduction	144
2. Origins and History of the EU GSP	145
3. Environmental Integration in the Old EU GSP (2001–05)	148
3.1 General structure and legislative background	148
3.2 Special-incentive arrangement for the protection of the environment	151
3.3 Temporary withdrawal of GSP preferences	153
4. Environmental Integration in the Current GSP (2005–11)	155
4.1 General structure and legislative background	155
4.2 Special-incentive arrangement for sustainable development and good governance	159
4.3 Temporary withdrawal of GSP preferences	168
5. Assessment and Conclusions	169
4. Environmental Integration in External Assistance	173
1. Introduction	173
2. EU External Assistance: Instruments and Actors	174
3. Environmental Integration through Thematic Instruments	177
3.1 Thematic instruments 2000–06	178
3.2 Thematic programme 2007–13	180
3.2.1 Environment under the Development Cooperation Instrument	180
3.2.2 ENRTP Strategy	185
3.3 Assessment	189
4. Environmental Integration through Geographic Instruments	191
4.1 Instrument for Pre-Accession Assistance	191
4.2 European Neighbourhood and Partnership Instrument	193
4.3 Development Cooperation Instrument	195
4.4 European Development Fund	197
4.5 Instrument for Cooperation with High-Income Countries (ICI)	200
4.6 Assessment	201
5. Conclusions and Future Prospects	203

5. Environmental Integration in Institutionalised Dialogues	207
1. Introduction	207
2. Types and Objectives of Institutionalised Dialogues	208
3. An Overview of Practice	211
3.1 The EU-ACP dialogue	211
3.2 EU-Africa dialogue	213
3.3 The Euro-Med dialogues	216
3.4 Dialogues with Latin America and the Caribbean	218
3.5 Dialogues with Asian countries	222
3.6 Regulatory dialogues with developed countries	225
3.6.1 EU-US dialogue	225
3.6.2 EU-Canada dialogue	227
3.6.3 EU-Japan dialogue	227
4. Thematic Dialogues: The Case of the Global Climate Change Alliance	229
5. Assessment and Conclusions	230
6. Environmental Integration through Sustainability Impact Assessments	234
1. Introduction	234
2. An Introduction to SIAs	235
2.1 Procedural aspects of the SIA exercise	239
3. An Overview of SIA Practice	242
4. Assessment and Conclusions	249
7. Supporting Environmental Multilateralism	254
1. Introduction	254
2. Supporting the Implementation of <i>Existing</i> MEAs	255
2.1 The international climate change regime	258
2.2 Biodiversity-related conventions	261
3. Building Alliances for <i>Ongoing</i> Multilateral Environmental Negotiations	265
3.1 Ongoing climate change negotiations	267
3.2 Biofuels	269
4. Consensus Building in the <i>Absence</i> of Multilateral Environmental Negotiations	271
4.1 Sustainable forest management	272
4.2 Corporate environmental accountability	277
5. Assessment and Conclusions	280
Conclusions	285
